

Child's Name _____ (circle one) Before / After Play

Adult Questionnaire of Known Facial Expression

Please indicate your child's perceived knowledge of the below expressions before he/she begins to play FACELAND and again after finishing the total program. That is, can your child identify these expressions and does he/she know what they mean? Circle the number that comes closest to your judgment on a scale of 1 (never) to 5 (always).

Surprise	never		sometimes		always
Recognizes the facial expression	1	2	3	4	5
